10 Tips for Taming Your Curls

By Johanna Ferreira | 01/21/2011 - 12:20 | 1 Comment

Curly hair is beautiful, but we know that it can be a challenge to maintain. Here are some of our tips for getting your ringlets to behave so that you can fully embrace them!

Revive Your Curls

No time to wash and style? Or are your curls super frizzy mid-day? No worries. Spritz **CURLS Quenched Curls Moisturizer** (\$16, curls.biz) all over hair. It revitalizes curls, giving them volume and shine like **Kat De Luna's** corkscrew ringlets.
